

VERTU

Constellation Diamonds for Christmas

September 2008 – Leading luxury mobile phone maker, Vertu, has introduced two stunning diamond edged handsets to its successful Constellation collection. The yellow gold and white gold variants will feature 170, Round Brilliant diamonds set in a subtle design around the bezel edging. These desirable handsets exude understated elegance and are expected to appeal to those seeking a sophisticated Christmas gift this year.

Presented in a stylish black box, each handset will have its own diamond certificate of authenticity.

Both the yellow gold and white gold handsets will be available in store by September. Prices can be provided on request.
